

Why Did Patina Fire Me?

Julie Ruiz

Cashier

Pizza Ponte

I spoke out about **sexual harassment** by my supervisor at Pizza Ponte.

Even though my coworkers and I reported the **sexual harassment** by our supervisor, the supervisor was not fired. He continued to be our supervisor for six months.

Recently, I was fired for nothing more than wearing an earbud at work. We are calling on Patina Restaurant Group to bring Julie back to work.

Patina Restaurant Group operates Pizza Ponte, Morimoto Asia, Maria & Enzo's, Enzo's Hideaway, and The Edison.
